

LIST OF PROPOSED ROAD IMPROVEMENT PROJECTS

Two road-tolling projects financed by the private sector

A14 (Road widening from Rugby to Felixstowe)

A1 (Improvements in the North East)

Ten publicly-funded road projects planned for delivery from 2013 to 2015 should be brought forward, for work to begin as soon as possible

A11 (Road widening Barton Mills to Thetford, Norfolk)

A556 (Road improvement Knutsford to Bowdon, Manchester)

M1 J28 - J31 (Managed motorway with hard-shoulder running, Derbyshire)

M1 J32-J35a (Managed motorway with hard-shoulder running, Sheffield)

M1 J39 42 (Managed motorway with hard-shoulder running, Wakefield)

M25 J23 - J27 (Managed motorway with hard-shoulder running, Herts/Essex)

M25 J5 - J6/7 (Managed motorway with hard-shoulder running, Kent/Surrey)

M6 J5-J8 (Managed motorway with hard-shoulder running, Birmingham)

M60 J8-12 (Managed motorway with hard-shoulder running, Manchester)

M62 J18 - J20 (Managed motorway with hard-shoulder running, Manchester)

14 road projects delayed until post-2015 that could be brought forward to 2013-15, potentially using private finance

A5-M1 Link Road (New link road)

A63 (Road improvement, Castle Street)

A160/A180 (Road improvement, Humberside)

A19/A1058 (Junction improvement)

A19 Testos (Road improvement)

A21 Tonbridge to Pembury (Road improvement, Kent)

A27 Chichester Bypass (New road)

A38 Derby Junctions (Junction improvements)

A45/46 Tollbar End (Road improvement)

A453 (Road widening, Nottingham to Junction 24 of the M1)

A14 Kettering Bypass (New bypass, Kettering)

M1 J19 (M6) (Road improvement to M1/M6 Junction)

M25 J30 (Junction improvement)

M6 J10a-13 (Road improvement)
