

CBI Council – Regional Council and Standing Committee list

July 2024

The CBI Council is the formation of all the CBI Standing Committees and Regional Councils, representing over 600 senior business leaders from over 400 CBI members across all parts of the UK economy. These groups are consulted quarterly on what we do and how we do it. Each of these groups has a Chair from the CBI membership and this forms the CBI Chairs' Committee to speak on behalf of the Council.
