

GUIDANCE FOR ENTERING THE CBI, CANNON PLACE OFFICE

We are delighted to announce that the CBI will be re-opening its member lounge from the 19th July 2021 after the relaxation of COVID restrictions in England. Below are a few key rules for people planning on attending our offices. If you have any questions, please contact: memberlounge@cbi.org.uk

Booking in: In order to use the member lounge you must pre-book by e-mailing memberlounge@cbi.org.uk.

Covid test in advance: We also request that you have had a negative lateral flow test at least 72 hours before entering the CBI office.

Face masks: You will be required to wear a face mask whilst travel through the Cannon Place building, but this can be removed once you are in the lounge.

Symptoms or a positive test: You should be aware of any symptoms of COVID and comply with test and trace requirements. You should not come to a CBI office if you have Covid symptoms, are self-isolating or have a positive test result.
